

Martol EV 30 AQ

DESCRIPTION

Whether you need to cut, drill, grind, or form metal parts, TotalEnergies Lubrifiants has the right metalworking fluid for you. Our products are designed to meet the highest standards of quality and performance, and to help you optimize your operations.

Martol is a versatile range of high-performance forming fluids, shaping a path of consistency for you and your operations.

ADVANTAGES

Martol EV 30 AQ is formulated with enhanced additives, resulting in:

- Excellent wetting of oil film
- Good stamping properties of ferrous and non-ferrous materials
- Odourless
- Product does not contain chlorine or sulphur
- Without aromatic components.

TYPICAL CHARACTERISTICS

Typical characteristics	Methods	Units	Martol EV 30 AQ
